FIXTURES 2

APRIL RESULTS

The 1st XI contested three preseason fixtures in mid April, suffering defeats to West Lothian and Falkland while a third fixture against Stirling University was rained off. There were positive individual performances through these games, however, with half centuries from Andy Carswell and Matthew Tweedie and wickets from last year's leading wicket taker Rukman Hewage.

The first competitive game was a washout at home to Weirs in the Western Union 40 Cup.

The 2nd XI suffered defeat at the hands of Falkland 2s in their only friend-

ly and chalked up a victory in their opening Western Cup game as Albert Park were forced to concede.

It was another home washout for the 3rd XI in their game against Preston Village.

The 4th XI notched up a first County win of the season in a low-scoring thriller against Morton 3s at the infamous Meadows. After being bowled out for just 72, they fought back brilliantly to dismiss the hosts for just 63 and claim victory by 9 runs. Adam Dawtrey took a magnificent 3-6 with the ball, part of great team effort by all concerned.

APRIL'S BONUS BALL WINNERS

12th April - Roger Fuller

19th April - Ian Brown

26th April - Catriona Robinson

SPECIAL POINTS OF INTEREST:

- Senior outdoor training every Tuesday and Thursday
- Membership subscriptions are now due for the season
- Keep a look out for more social events this year

CRICKET SCOTLAND UPDATE

Cricket Scotland's contracted players have begun training at New Williamfield as they begin the transition to an eventual full time move to our ground. While funding for Cricket Scotland is still being debated, there have been good communications between ourselves, Cricket Scotland and the local authorities. These have included a look at artist's impres-

sions of what their new pavilion would look like, both on the inside and out so we

thought you'd like a sneak preview.

Subscriptions

for the 2014 season are now due. These can be made by cheque, cash, BACS or standing order. If anyone has not paid their subscriptions by the end of this month then they will not be considered for selection for matches. If you wish to make payment or want any more information, contact membership secretary Andrew Lees.

Indoor League & Intra-Club Sixes

Since the last edition of the newsletter, the 2014 Forth Valley Indoor League has concluded, with Stirling County finishing top of the pile and taking this year's title. After beginning with two wins and a loss from our first three games, we recorded victories over Clackmannan County and Doune in the final two fixtures to end the season top of league. We'd like to express a huge thanks to club members Ian Shaw and Kari Carswell for having a big hand in the running of the league, and to Gavin Anderson for organising a team each week.

INTRA-CLUB SIXES — The bank holiday Sunday of this month will see the SCCC Intra-club Sixes event. The competition is open to all club members and has always been an enjoyable day in the past. There will be a BBQ running throughout the day and the bar will be open from midday. For more details and to enter your name for the competition, see Graeme Taylor.
